CASE CLOSED!

It's been a rough winter in the U.S. this year. Lots of shaking, rattling and rolling, freezing, raining and flooding, and more pages of homework than you can shake a stick at. It's times like these when you grab the ones you love, hold them close and remember what really matters. But spring is just around the corner, and with it comes the relief we've all been waiting for: more comic books.

Those of you who read this space last month know that Harvey is doing a super comic book adaptation of The Flintstones movie. I hinted that there was something extra special about this book, but the ultra-tight security around here prevents me from giving away too much of the details. I pulled a few strings and got permission to leak this tidbit, though: reading the comic book will require special glasses. Aw, what the heck, I may as well tell you. What we've done is take a drawi- CENSORED BY THE MANAGEMENT — PRIVILEGED INFORMATION — NOT FOR GENERAL RELEASE.

Doesn't that sound great? Also coming this May, the long awaited premiere of our Hanna-Barbera line! Our first batch includes a trio of incredible comics: Scooby-Doo, The Jetsons, and a special Hanna-Barbera Presents: Wacky Races! I'm telling you, if you knew how good these comics are, you'd be camping out in front of your comic store to make sure you get the first copies!

But you don't have to wait to get your daily dosage of Harvey Comics. Coming out this very month we have the latest Beethoven comic: Beethoven #3, Escape from Camp Quasar! In this issue, Beethoven tags along when the Newton kids go to a summer space camp. It's an adventure that's out of this world!

Also out this month is Stone Protectors #2: Back from the Dead! Princess Opal has been dealt a deadly blow by Zok's forces, and hovers perilously close to death. Her only hope lies in a magical cloak from the planet Turbulantia, if the Stone Protectors can wrest it from the evil king Gollun!

And, as always we have a wealth of other titles coming out this month: Alvin & The Chipmunks, Casper the Friendly Ghost, Little Audrey, Pink Panther, Richie Rich, Tom & Jerry, and Underdog! (I'd list the rest, but they'd have to make the page bigger!) Be good, keep reading, and I'll see you next month!

and we get letters...

Dear Richie Rich and Dollar,
I like your cartoon, but sometimes I don't get to see it. I like your dog Dollar's name. My mom is writing this letter because I'm only five years old and can't write letters yet, but I really wanted to write to you. I don't like Reggie because he always bothers you. All your inventions are neat.
P.S. Please write back to me.
Your friend, Daniel Edmondson
Allentown, PA

Dear Daniel,
I like all the inventions in my comic book, too, Daniel, but the real credit has to go to Professor Keanbean . . . after all, he's the one who invented them! Right now, Professor is working on his greatest invention—a machine that will keep Reggie from causing any more trouble! I'm glad you got your mother to help you write your letter, Daniel, because some of my best fans are my youngest fans, and I love getting letters from fans of all ages!
Your friend, Casper

Dear Wendy,
My name is Faith Maria Brody. I like your comics even though I only have one. Who's your best friend? Mine is Iricia McMillan. I am nine years old. Is Nightmare your pet horse? I have a pet dog. His name is Peppy and he's a labrador mix. I love dogs. Do you? I like the cover of issue #11. Every Friday I go to the comic store and buy comics. Do you read comics? Do you go to school? I do. I got good grades on my report card. I got two B's and four A's. Please write back.
Your greatest fan ever, Faith Brody
Swell, NJ

Dear Faith,
I have lots of best friends, Faith, and one of them is Nightmare! Even though Nightmare is a horse, he's more of a friend than a pet! In fact, sometimes it seem like Nightmare thinks of me as his pet! I like to read comic books, too, Faith, but I always get scolded by my teachers at spook school since I always read them during class! Keep up the good work, Faith!
Your friend, Wendy

Dear Casper,
I am sorry that a lot of people are afraid of you. I'm not afraid of your because you are nice and kind. I have a video tape of you that my dad got for me and my sister. I am in the Brownies and I help people and the earth. Well, I have to go. Bye!
Your biggest fan, Toni Coggin
Midland, TX

Dear Toni,
After reading your letter, Toni, I'm now one your biggest fans! I'm glad that you're not afraid of me, and I think that it's great that you and the rest of your troop spend time helping people and cleaning up the environment! Now, if only I could trick cousin Spooky and the Ghostly Trio into becoming Brownies!
Your friend, Casper

Dear Lotta,
I am writing you because I'm your number one fan. I think you are really cool because you can run fast, jump high, eat a lot and you are strong. I have a couple of questions for you. Who is your best friend and what does your mother look like? I think you are super, so keep up the good work.
Your friend, Noelle Stapleton
San Mateo, CA

Dear Noelle,
Thank you for your kind words, Noelle, and because you're so nice, I'll try to answer your questions the best I can! On Mondays, Wednesdays and Fridays, my best friend is Dot! On Tuesdays, Thursdays and Saturdays, my best friend is Harold! And on Sundays, we all play together so on that day, they're both my best friend! As to what my mom looks like, Noelle, she look like, well, a mom! Just check out the pages of my comic book for some great pictures of her drawn by some great Harvey artists!
Your friend, Little Lotta

Dear Spooky,
Tell me, who is your favorite person to scare? I like forts, and I've always wanted to make one that my brother can't find—but he always does. Say "hi" to your girlfriend for me.
From, Tara Fontaine, age 9
Canada

Dear Tara,
If you want a fort that your brother won't find for sure, Tara, you should make it like I do—invisible! I don't have a favorite person to scare (I like to scare everyone!), but when I really want to surprise someone, I just hide in my invisible fort, wait for the person to walk by, jump out and give a great big BOO! And please, Tara, if you talk to my girlfriend, Pearl, don't tell her about my invisible fort!
Your pal, Spooky
